

Spring Cleanup Returns

Saturday June 3, 9AM-1PM

Your Bell Canyon Community Services District is sponsoring the event with Waste Management. The County of Ventura will provide a supervised work crew to assist residents unload their vehicles and trucks.

Hazardous substance, Electronic Waste and Documents Shredding services are included in this event.

Drop off yard waste, construction debris and bulky items at the Community Center parking lot. Shredding will also be in the Community Center parking lot.

Yard Waste and Residential Construction Debris at the Community Center parking lot

Please bag leaves and grass. Large tree limbs do not need to be bagged. Place dirt, sand, bricks, concrete chunks etc., into buckets or containers – the crew cannot shovel loose materials out of truck beds or trailers. Your reusable containers will be returned to you after they are emptied!
